PROFILE

I've been supervising my own project for almost a year. I'm working as a freelancer providing my clients with deferens services and creating interactive websites in particular. I would like to gain more experience in this sphere. For this reason, I'm looking for a company willing to propose me a job offer. In return, I can guarantee my full loyalty to the company and my eagerness to be an effective team player. Currently I am looking for a trainee or a position of a front-end developer. I am ready to learn fast and gain new experience.
